Do you currently teach in a Tennessee K-12 school (either public or private)? _________
If not, please briefly explain how your job relates to environmental education for children.

TEEA is interested in increasing racial and cultural diversity in our membership. If you would like to tell the committee how you represent diversity, please do so here:

Would you be able to attend this conference if you are not awarded a scholarship? _______
Have you ever attended a TEEA conference before this year? __________________________
Why would you like to attend this conference?

What do you expect to learn/gain from this conference, and how will you use this in your work?

If awarded a Conference Scholarship, would you be willing to submit an article--either about how you benefited from the Conference, or on an EE topic of your choice--to the TEEA newsletter?
